The Points Total is calculated on the points achieved in the 5 events run this year.

Where more than 5 events have been entered, the lowest event points are deleted (0.0) to give the best of 5.

A driver who acts in an official capacity and is therefore unable to drive in an event, is entitled to claim a bonus of 50 points. This bonus may be claimed once only in a Championship Year and is in addition to any other points scored or deducted.
