

Hi

You have a Cool Car

Would you like to help us in a charity event? We need one hour of your time on Friday morning, September 7th.

MY COOL RIDE TO SCHOOL is a joint fundraiser between the Mairangi Bay Lions Club and the local Mairangi Bay School PTA.

We are gathering a list of cool rides – vintage cars, fire engines, Mr Whippy vans, Ferraris, Harleys, maybe a helicopter. We think your cool car would be great too.

Then the parents of the school get to tender for their son/daughter to be picked up and taken to school in the cool ride. 100% of all proceeds will be shared 50/50 between the Lions Club and the PTA. Lions are donating all of ours to help 3 kids charities, the PTA is using theirs for a senior playground upgrade.

If you are interested, here's what we would need you to do:

- Give us a photo and 3 bullet points about your car
- Pick up the winning kid/kids from their home at 8am on Friday morning, September 7th.
- Take them for a drive around the streets of Mairangi Bay for half an hour. Toot at all the other cool rides as they cruise past.
- Then go to Mairangi Bay School at 8.30am, and park up in the school grounds until the 9am bell. Kids can show off to their mates the rides they took that morning.

Interested? We'd love to add your car to the list.

Please contact Mike Honey from Mairangi Bay Lions Club by either calling 027 2858 373, or you can e-mail us on info@mycoolride.org.nz

If you know anyone else who might have a cool ride too, please pass the details on to them.

Thanks for your time.

Mike Honey

Mairangi Bay Lions Club
