RUSH SIM RACING AUCKLAND DRIVING SIMULATOR EVENING

After the success of previous events, the Sports Car Club of New Zealand will be holding another driving simulator event, this time at Rush Sim Racing, 490 Ti Rakau Drive, Botany, SOUTH AUCKLAND, on Tuesday, 24th September 2019. This is an event run with one of the best and most up-to-date driving simulator systems in Auckland (as seen at the CRC Speedshow).

SCCNZ is subsidizing this event for most current financial SCCNZ Club members . Note however that the “**90 day membership**” rule applies for this event. All other individuals and members of other clubs may take part at the sole discretion of the Organizing Committee, but must pre-pay the unsubsidized entry fee prior to the event. **There will be no door sales on the night.**

Numbers for this event are limited, so be in quick!!!!

How to get to the venue:

For those drivers who have not been to this venue before, Ti Rakau Drive in Botany is off SH1 South via Te Irirangi Drive. The venue is in the Paradise Ice Skating Rink, second level, at the intersection of Te Irirangi Drive and Ti Rakau Drive. The entry is off Botany Road, which is an extension of Te Irirangi Drive. Check on Google Maps if you are unsure.

All drivers must arrive at the venue **no later than 6.40pm** in order to register with the operator and to attend the compulsory briefing. The Driver Briefing will commence at **6.50pm sharp**, with racing commencing at 7.00pm.

Drivers who DO NOT attend the full briefing, or are late for it will not be allowed to take part and will forfeit their entry fee. This is a requirement of the venue operator.

What to bring:

Apart from yourself, you require no safety gear for this event.

What to do when you arrive at the venue:

All drivers must complete the **Rush Sim Racing Entry Procedure** prior to driving in the event. **This is in addition to the SCCNZ Application/Indemnity Form you will have already signed and sent to the Club to confirm your entry.**

A briefing for all drivers will be held at the venue at **6.50pm**. **All drivers MUST attend.**

When on the simulators:

Drivers will be organised into teams and will compete over a set time for each driver and each team.

Finally:

This event is run with quite a tight time schedule – other groups of drivers may be running after us. In order that all drivers get a reasonable time on the equipment, please be ready to start when the briefing is completed. We will not be holding up the event for drivers who are late getting to the equipment.

Have a great race day!!!!
